Licensed clinical psychologist provides mental health services and psychological services such as individual therapy, family therapy, couples therapy and play therapy. Specialty in depression, anxiety, abuse and PTSD importance of exercise for seniors dealing with pain and chronic illness. Specific problems that can be helped are relationship problems, grief over a loss of a relationship or loved one, depression, anxiety, phobias, effect of divorce, sexual abuse, and eating problems. Currently accepting new patients.

The clinical records and any verbal or written communication between therapist and client are strictly confidential and no information will be disclosed to another party without permission. Exceptions to this rule are where there is a clear and imminent danger to the client, to others or society; where the disclosure is court-oriented and where child abuse is suspected.

Services include individual, family and couples therapy. Generally, sessions are scheduled for once a week and last 50 minutes. The office is physically located at Medical Dental Center, Suite 61 North Building, 3801 North Fairfax Drive.
