Health Center for Women and Families (HCWF) see patients of all ages. Services include physicals, well child exams, annual gynecological exams and continuity care to those patients with chronic medical problems. Basic lab services are available onsite. X-rays or x-ray referrals are provided. Family practice physicians see patients of all ages.

Pediatric care includes well-child care, physical exams, sports physicals, sick child visits, management and education for children who have chronic illnesses such as asthma and diabetes.

Prenatal care is provided to women up to 32 weeks into their pregnancy. High-risk obstetrical patients are referred to appropriate obstetrical providers.
