Huntington's Disease Society of America (HDSA) support groups are for individuals, their loved ones, and families impacted by Huntington's disease. If you are a student or related professional looking to observe a group, please reach out to the support group facilitator prior to the group. If you do not do so, you may be asked to leave the meeting to ensure privacy and confidentiality for support group members.

These support groups are free to join. There is limited space available so please register early. To register for a group please click join now or log in if you already have an account.

[Find a Support Group](#) Many groups may meet online.
