English

The volunteer crew at Red Valley Rescue Squad responds from home with the assistance of career staffing from the County during normal weekdays to help answer calls while crew members are at work. Squad houses two Advance Life Support ambulances out of the station, along with a Crash Truck and works closely with the Burnt Chimney Volunteer Fire Department. If you have a special field such as electrician, mechanic, carpenter, accounting, etc. and have time you would like to donate, please contact the office.

Service Area(s)

Franklin County
