Haysi Clinic offers family health care. Care is provided to children, adolescents, women's health, and geriatrics care. Also available are assistance in obtaining medicine, x-ray services, patient education, behavioral counseling, and dental services. Behavioral Health counseling is offered one day per week by a licensed Clinical Social worker. A respiratory therapist is typically available one day per week.

All community residents have equal access regardless of ability to pay, geographic locations/residence, culture, age, sex, or religion.

The mission of Stone Mountain Health Services is to promote and provide quality primary health care that is accessible, affordable, and community-based for the people of Southwest Virginia.
