The Balance and Ear Center offers physicians who are extensively trained in the diagnosis, medical treatment, and surgical correction of hearing and balance disorders. In addition, a dedicated audiology staff is available with expertise in the execution of vestibular testing that complements the ability to effectively manage and treat patients with an ear nose and throat disorders. All diagnostic testing for vertigo is done on-site to make access easy for patients. Offers checking for hearing loss, hearing aids, checking hearing impairment, dizzy and balance evaluation and treats ear diseases.

Also checks trauma to head which occasionally results in dizziness, vertigo, migraine, neurological dizziness, low blood pressure, and metabolic disturbances and allergies.

Dr. Shaia has hospital admitting privileges at Bon Secours St. Mary's and Johnston Willis Hospital.
