The Prince William Health Department Environmental Health Division provides services, often behind the scenes, to ensure that our environment, natural and manmade, is safe for those living in the Prince William Health District. This division is divided into the Consumer Services Division and the Onsite Well and Septic Services Division.

Consumer Services include the oversight and regulation of:

- Restaurants and Food Services
- Swimming Pools and Spas
- Hotel, Motels, Bed and Breakfasts, and Campgrounds
- Day Care Facilities

Please visit the website for more information about each of these services.
