The Open Door Clinic is a walk-in clinic available to new and established patients over the age of three for immediate and minor illnesses. Services include treatment for allergies, colds, flu, sore throat, poison ivy, sinus infection, insect bites, joint pain, wart removal, etc. Also available are cholesterol and diabetes screening and immunizations.

No appointment is required to be seen. We will not only take care of you for your immediate need but also, if desired, we will schedule a follow-up visit with one of our board certified physicians in Family Practice or Internal Medicine. We can also refer you to one of our specialty care physicians in Cardiology or Infectious Disease.
