The medical staff at Gretna provides comprehensive primary care for everyone in your family, pediatric to geriatric. Services include medical care, including diagnosis and treatment of illnesses and infections, treatment of accidental injuries, and complete gynecological care for women. X-ray and lab services.

We offer physical therapy and cardiac rehabilitation on site.

Contact your pharmacy to request your prescription(s) to be refilled, the pharmacy will then submit a request to our office. If your prescription requires physician approval, you must make a request for a refill BEFORE your prescription runs out. We cannot guarantee refills on prescriptions and your physician may also request that you be seen by appointment before a prescription can be refilled.
