The Rappahannock County Health Department offers Family Planning and Women's Health services. These services include breast and cervical cancer screening, pre-conceptual counseling, birth control information, testing, treatment, and counseling for HIV and other sexually transmitted infections, and birth control methods. Also available are school entry physicals for the uninsured and underinsured.

Fees for services may be determined on a sliding scale based on household income and some insurance plans are accepted. Please visit the [website](#) for more information.
