The Franklin City Health Department offers Family Planning and Women's Health services. These services include breast and cervical cancer screening, pre-conceptual counseling, birth control information, testing, treatment, and counseling for HIV and other sexually transmitted infections, and birth control methods.

Other services for pregnant women and young families include;

- Nurse-Family Partnership
- The Child Safety Seat Program

Services are either free or have fees determined on a sliding scale based on household income; some insurance plans are accepted. Please visit the [website](#) for more information.
