The Tazewell County Health Department offers Environmental Health Services to protect the public's health by engaging in a wide variety of inspection, permitting, and testing services, including:

- Drinking water inspection, permitting, and surveillance
- Food establishment sanitation – check out your favorite restaurant's latest inspection results by going to the Environment Health [website](#)
- Institutional inspection (child and adult facilities)
- Migrant labor camp inspection
- Milk plant inspection
- Rabies prevention and control
- Well and septic inspections and permits
- Tourist establishment inspections (campgrounds, swimming pools, hotels)

Please visit the [website](#) for more information.
