Volunteer opportunities are available in many JABA services and locations. Visit the website or call for information.

Individuals, businesses, nonprofits and groups can be more connected with their community through JABA's Volunteer Services. Be a humanitarian in your own back yard. Volunteer opportunities include, but are not limited to, visiting older adults in their home, leading activities or exercise at Community Senior Centers, mentoring children in schools, insurance counseling, facilitating health and wellness classes, advocating for older adults as a Volunteer Ombudsman and providing administrative support. There are ever changing volunteer needs at JABA, and whatever your time, talents, interests, location or skills, we will find the right fit for you.

JABA Neighbor to Neighbor volunteers connect seniors with compassionate weekly socialization or support. [Visit Neighbor to Neighbor](#)
