Emergency conditions we treat at Lonesome Pine Hospital ER:

- Bleeding that won't stop
- Breathing trouble
- Broken bones
- Burns (moderate to severe)
- Chest pain or pressure that lasts more than a few minutes
- Choking
- Confusion, strange behavior or trouble speaking
- Heat exhaustion
- Hypothermia (very low body temperature)
- Passing out
- Poisoning
- Severe allergic reactions
- Traumatic (major) injuries

If you suffer a minor illness or injury, consider urgent care. If you have a small injury or an everyday illness, choose urgent care. You'll likely get help sooner and pay less than at the emergency department.

Service Area(s)

Wise County
