Personal Touch offers registered nurses, social workers, physical, speech and occupational therapists, nursing assistants, and companions. Hospice services and care for AIDS and HIV patients are available. Services include, but are not limited to, activities prescribed by the doctor to assistance with activities of daily living. Personal care attendants provided valuable in-home support such as eating and feeding, incontinence care, transportation, running of errands like picking up prescriptions and medication reminders. Skilled nursing services may include:

- Injections, intravenous and infusion therapy;
- Medication assessments and management;
- Diagnosis of illness and treatment of disease;
- Operation of home medical equipment;
- Analysis of lab tests and X-rays;
- Operation of emergency monitoring systems;
- Wound care and other services as needed.
