At Western Tidewater Community Services Board (WTCSB) the Adult Mobile Counseling program provides short-term services to individuals residing in area shelters, receiving services from various agencies providing assistance or Federal Qualified Health Centers, such as Main Street Physicians in Suffolk. Services are provided to individuals who are in need of behavioral health or substance use services. Services are tailored to meet the unique needs of each client and will include individual or group counseling to assist in working toward a positive change.

Suffolk Services Center provides Outpatient Behavioral Health Counseling to adults. The program provides person-centered treatment to help individuals develop skills and confidence to meet daily living needs as they experience incremental successes through stages of personal change. Staff provides both individual and group therapy.
