The purpose of the VCU Rehabilitation Research and Training Center (RRTC) on Workplace Supports and Job Retention is to study effective supports that assist individuals with disabilities to maintain employment and advance their careers. Training events are designed to meet the needs of individuals with disabilities, rehabilitation professionals, families, and persons working in business and industry.

Rehab counseling is offered, as well as Online courses and lectures.

In addition to Worksupport.com, VCU-RRTC has many projects and websites. For a full listing of the VCU-RRTC projects and websites, please visit the [Projects](#) section of the VCU Rehabilitation Research and Training Center website.
