Bon Secours St. Mary's Hospital provides emergency medical care. Introducing Bon Secours no wait emergency care: When you're hurt or sick, you want help fast. Check in at any one of our emergency care facilities and a member of the healthcare team will see you right away. Your needs will be reviewed, then you will be directed to the highest quality care possible. We use the latest digital diagnostic tools and we're open 24 hours a day, 7 days a week to provide care for patients of all ages.

St. Mary's offers Emergency Services that are available 24 hours a day and staffed with professionals who keep abreast of the latest treatment protocols for specific emergency situations such as stroke and heart attacks. Diagnostic services critical to emergency care are on call 24/7.

St. Mary's offers full-scale children services including a pediatric emergency department. This means, we stock small-sized medical equipment and supplies for infants, children, and the elderly.
