The Daily Planet Behavioral Health Clinic provides behavioral health counseling (group, one-on-one, and family), substance abuse counseling, medication management and evaluation, psychiatric evaluations and assessments, and a 90-day in-patient program.

The Clinic provides services to those in the community who are unable to access behavioral health services elsewhere, such as homeless, unemployed, and under-employed. Treatment ranges from persons with mild levels of anxiety and interpersonal problems to those with serious behavioral or emotional illnesses.
