The Danville-Pittsylvania Cancer Association (DPCA) is a local organization that provides financial assistance to cancer patients in the Danville and Pittsylvania County area. All donations remain in the Danville and Pittsylvania County area to help defray the cost of cancer-related expenses.

DPCA can provide help with cancer-related prescriptions, equipment, transportation, nutritional supplements, as well as supplies such as nutritional supplements, adult incontinence supplies, wigs, hats/turbans, mastectomy bras, and prostheses. We provide supplies for both youth and adult needs. Call for more information about [Cancer Supplies](#).

DCA provides emotional support not only in the office setting but also with our [COPING cancer support group](#) that meets the last Tuesday of every month.(except July and August) where not only the client is invited, but also any caregivers that may be providing support to their loved one. We provide access to other educational materials and cancer awareness through our association with the Cancer Research & Resource Center of Southern Virginia.
