The new VA Community Based Outpatient Clinic (CBOC) at the Ft. Belvoir Community Hospital's Sunrise Pavilion is now open. The 10,000 square foot facility replaces the Alexandria CBOC. The VA-Ft. Belvoir CBOC provides basic medical care, preventive care, and health education for eligible Veterans, including comprehensive women's health care.

Veterans may access Ft. Belvoir through the main entrance (Tulley Gate) with their VA identification card. Those taking public transportation may take the yellow Metro line to the Huntington Metro station and then transfer to the REX bus (Richmond Highway Express) to access the base.

Veterans may call 571.231.2408 Monday through Friday between 7:30 a.m. and 4 p.m. to schedule an appointment, for enrollment, or to obtain a picture identification card. The Medical Center Call Center can be reached at 202.745.8577.

The clinic is open Monday through Friday from 7:30 a.m. to 4:00 p.m.
