Reston Hospital Center (Part of HCA Healthcare) provides medical and surgical services, including bone and joint care, imaging services, women's health services, heart care, men's health, diabetes care, and more. Operates 24-hour emergency and anesthesiology departments.

The Critical Care Unit (CCU) is a specially designed unit in which acutely ill patients are under the constant observation and care of the medical and nursing staff. To provide maximum care, certain guidelines have been established.

The surgical unit is located on the fourth floor of the hospital. This unit is staffed by trained personnel 24 hours a day for nursing care and education.

Outpatient services include physical, occupational, and speech therapies.

Bus Line: RIBS. On duty hospital staff members are available to interpret in a wide variety of languages. Office hours are Monday-Friday; service hours are 24/7.
