The Center is a 12 bed, safe and therapeutic inpatient environment for adults who have a history of trauma and diagnosis of Post Traumatic Stress Disorder. All patients are assigned a primary therapist as well as an attending psychiatrist. The program strives to educate patients about their illness, and emphasizes psychoeducation, psychotherapy, expressive therapy and symptom management as core elements of the treatment plan. The dedicated and compassionate staff is educated and experienced in dealing with trauma issues and symptoms associated with Post Traumatic Stress Disorder.

There is an associated partial hospitalization/intensive outpatient program, The Day Center, available for aftercare.

Located near both Metrorail and bus routes, and metered parking is available.

Provides interpretation/ translation services for the hearing impaired and deaf.
