The Diagnostic Clinic of the Multicultural Clinical Center offers comprehensive psychological and neuropsychological evaluation for children, adolescents and

adults in the diverse ethnic community of the metropolitan area. Offers substance abuse and mental health treatment. Modalities include individual, group and family therapy and pharmacological interventions.

The MCC is staffed by multidisciplinary teams comprised of bicultural and bilingual neuropsychologists, clinical psychologists, psychiatrists, social workers and speech and language pathologists.

Also offered are Psychological Testing, Neuropsychological and Neurodevelopmental assessments, as well as Forensic Consultation for: Learning Disabilities, Developmental Disorders, Attention Deficit Disorder, Autism, Depression and Anxiety, Traumatic Brain Injury, Sexual Abuse, Dementia, Post-traumatic Stress Disorder, Attachment Disorders, Court-related Problems and Language Disorders.

Appointment during office hours or some appointments made after office hours.

Bus Line: This is on the Metro bus route.
