The Loudoun Fire & Life Safety Education programs include the following:

Smoke Detector Program - the members of the fire and rescue system will visit your home to offer a free smoke detect check, as well as provide additional fire safety information. If you need a smoke alarm, they are free by calling 703-737-8093. Fill out the [Smoke Alarm Installation Request Form](#) online to request a free smoke alarm installation.

Life Safety Trailer - this 35-foot mobile classroom trailer is designed to simulate a house and is used to teach fire escape plans, home safety, and severe weather preparedness. To request the use of this trailer, please contact the Public Education office at 703-771-5551.

Fire Prevention and Safety Information for your home - Provides guidance and instructions on Planning Your Escape, Creating an Escape Plan Grid, Using a Home Fire Safety Checklist, Tip for Fire Safety and Carbon Monoxide Poisoning. Visit the website for detailed information.

Adult Programs - File of Life (emergency medical packet), Fire-the Unforgiving Nature, Make the Right Call, Remembering When, Safe Steps for Seniors (injury and fall prevention) and Workplace Fire Safety. Call 703-771-5551 for more information.
