Home Recovery HomeAid offers skilled nursing and personal care services. The program provides home health care services to people living in Amelia, Buckingham, Charlotte, Cumberland, Lunenburg, Nottoway, and Prince Edward counties and who are homebound. Services include helping with ambulation/exercises, assisting with self-administered medications, reporting changes in the patient's condition and needs, or providing household services essential to health in the home, physical therapy, occupational therapy, personal care, and other health care services.

Skilled nursing services can be provided, including medication review and teaching, wound care, diabetic case management, pain management, injections and venipuncture, ostomy care, bowel, and bladder care and post-operative cardiac care.

Companion services are also available - may be one person to "live-in" or several people in shifts.

Private duty companion care or nurse services available.
