Members contribute nominal money to a Partnership to provide the capital with which to invest through a Brokerage account. Attendance at the monthly meetings and participation in the research, examination and evaluation of stocks is expected of each partner and each partner has a vote to hold, buy or sell a stock. Experience is helpful but not required for membership. Participation is also on the social side.

Financial Planning: The local firm, Barrett-Johnson and Associates, Ameriprise Financial, offers a free and confidential one-hour financial consultation. The consultation can cover investments, tax planning, estate planning or advice on other financial matters. Call the front desk to arrange an appointment.
