Johnston Memorial Hospital's cancer care programs are accredited by the Commission on Cancer (CoC) of the American College of Surgeons.

Rely on Ballad Health for a full range of cancer services and treatments to:

- Detect cancer early – when treatment can be most effective – with screening, prevention, and risk assessment services.
- Treat breast, lung, and other types of cancers with surgery, cancer medicines, immunotherapy, and hormone therapy and radiation therapy.
- Access a wide range of cancer support services and resources to help you and your family through your diagnosis, treatment, and recovery.
