Dickenson County Home Health offers skilled nursing and personal care services. Services are provided by an RN or LPN (under the supervision of an RN) with training and experience in providing care in the home. Services may include evaluation of patient needs as well as performance of a skilled nursing procedure such as a changing a dressing or IV. Home infusion services are also provided by the nurse in your home.

Services by licensed physical, occupational and speech therapists are also available.

Personal care is provided by home health aides. Services can include assistance with activities of daily living (bathing, dressing, hygiene, feeding), changing bed linens, light housework, etc.
