Shenandoah Memorial Hospital offers comprehensive imaging services to assist in diagnosing acute illness or injury and rule out or confirm health issues through routine screenings and special tests. The Heart Center offers diagnosis, acute care and rehabilitation for patients needing cardiac care. For patients who require invasive cardiology procedures and surgery, Shenandoah Memorial maintains a close relationship with Winchester Medical Center. Cardiopulmonary Services offers a broad array of studies and treatments which include:

- Cardiac Rehabilitation
- Aerosol Treatments
- Vascular Studies
- Arterial Blood gas
- EEG
- Holter Monitor
- Pulmonary Function Testing

The Shenandoah Diagnostic Center is open Monday – Friday, 7 am – 5 pm. Appointments for outpatient diagnostic services may be made by calling:

- **Radiology, Medical Imaging and Mammography** 540-459-1207
- **Lab** 540-459-1211
- **Cardiopulmonary** 800-919-8378
