Emotions Anonymous (EA) is a national organization which offers a 12 step program (similar to Alcoholics Anonymous). The fellowship is composed of people who come together in weekly meetings for the purpose of working toward recovery from emotional difficulties. Depression, anger, broken or strained relationships, grief, anxiety, low self-esteem, panic, abnormal fears, resentment, jealousy, guilt, despair, fatigue, tension, boredom, loneliness, withdrawal, obsessive and negative thinking, worry and compulsive behavior are some of the emotions that bring people to the support group. EA is not a medical or psychiatric service, nor does it provide personal or family counseling. The leadership of the group rotates and is non-professional.
