Peninsula Memorial Park offers advance planning for funeral, cremation or cemetery services. Staff will counsel with families regarding their options and services at our Cemetery. Prearranged funerals include pre-need discounts and less emotional stress.

Advance planning for end-of-life issues allows you to rest assured that your wishes will be fulfilled and your loved ones will feel less burdened. Dignity Memorial providers can help.

An array of bereavement resources is available, in addition to the 24-hour toll-free compassion helpline available with the purchase of a Dignity Memorial plan. Grief management books, videos and brochures are also available.
