AccessVA is an online housing registry that provides a variety of information valuable to Virginians with disabilities including accessible and affordable apartments. The AccessVA website was created by the Virginia Housing Development Authority (VHDA) and the Virginia Board for People with Disabilities.

Find information about stoves/cooktops, refrigerators, wall ovens, ranges, and dishwashers that are specially made for someone with a disability.

[Find Accessible Housing in Virginia](#) by city or county.

[Visit Accessible Resources](#) which is a national database of accessible apartments. Services to be included and to search on this database are free.

Service Area(s)

Statewide
