Christiansburg Recreation Center - Goal and function is to encourage physical activity and fitness for all citizens, and to provide facilities, equipment, parks, and programs that help to achieve those goals. The Recreation Center and many small neighborhood parks, provide a wide range of recreational and leisure opportunities

for the community. It has a weight room, cardio room, two racquetball courts, senior area, and walk / run track surrounding four full-court basketball courts. Community rooms are also available for rent. For more information, contact Charlton McCoy.

Additionally, we are in the initial design phase for the Christiansburg Aquatic Center, which will have additional recreation equipment to compliment our Recreation Center, as well as a competition-size indoor pool and a family pool.
