The Glebe offers skilled nursing care in 32 private rooms. The Health Care Center provides 24-hour supervision from licensed nursing and healthcare personnel. In many cases, nursing care is only required for a short time, such as after a hospital stay. Long-term care is also available for Glebe residents.

The convenience of The Glebe life care program is to be able to go from one program level to another on the same site. Life Care brings a real sense of ease to you and your family. There is no additional monthly fee.

The Glebe is owned by LifeSpire of Virginia.
