Riverside Behavioral Health Center is a mental health provider offering outpatient treatment and psychiatric and chemical dependency services to children, adolescents and adults.

Outpatient services are offered for those experiencing behavioral health and substance abuse problems, including crisis services, evaluations, inpatient care, and therapy groups. Services offered are open to adolescents and adults. Information confidential.

Individual therapy, couples and family therapy, as well as medication evaluations and management are available.

Opiate addiction treatment includes detoxification, stabilization, and maintenance medication.
