Bassett Family Practice is a federally funded community health center that provides comprehensive medical treatment to underserved residents of Henry County, regardless of the ability to pay. It is equipped to provide many of the services commonly found in a primary care physician's office, including routine office visits for illness, annual physical exams, chronic disease management, immunizations and vaccinations, lab services, and more.

Patients with limited income may qualify for a sliding fee scale which is based on household income.

Service Area(s)

Henry County

,

Martinsville City
