EHS provides Mental Health Skill-Building Services to meet the needs associated directly with the mental condition itself and the accompanying issues that go along with a mental health diagnosis.

Clients work with specific clinicians who develop Service Plans tailored to address their specific and unique needs. EHS clinicians support, train and assist clients with:

- keeping psychiatric and medical appointments,
- managing and complying with medication regimens,
- accessing community resources,
- learning basic life skills and independent living skills,
- learning appropriate social skills,
- ending social isolation,
- gaining access to recreational, educational, and vocational opportunities.
