Services provided by Richmond Behavioral Health Authority (RBHA) to persons with behavioral health disorders take place in the consumer's home and in their community. Services are based on the needs of the individual. These services may include training and support necessary for the person to maintain personal care and

social skills, and complete independent living tasks. Behavioral Health Support Services also helps develop and improve community living skills, assist in medication management and monitor physical health and nutrition.

Service Area(s)

Richmond City
