Paradise Home Care offers home health care with registered nurses, licensed practical nurses, physical, occupational, and speech therapists, home health aides, and medical social workers.

Staff provides disease management programs, medical services, health education, and medical assessments. Skilled home care nursing shortens hospital stays and lets patients convalesce in a comfortable, familiar environment. Skilled nursing services include:

- Observation and assessment
- Education and disease management
- Diabetes care and management
- Wound and ostomy care
- Cardiac disease management
- Pain management
- Education and training for patients and caregivers
- Psychiatric Nursing
- Medication education and management
- In-home cardiac event monitoring
- Fall Prevention and home safety
- Enteral and parenteral nutrition
- IV Therapy

Services can be provided in consumer's homes, apartments, assisted living homes, group homes, and some adult daycare centers.
