Bon Secours Maryview Medical Center offers a behavioral medicine center. The 54-bed Behavioral Medicine Center is designed to recognize and treat chemical dependency in medical and surgical patients and to reduce the complications associated with chemical dependency.

Patients receive constant supervision and monitoring and are generally discharged in 3-5 days to go home or to another program. Inpatient services include assessment, detoxification, rehabilitation and continuing care.

Adult Treatment encompasses both emotional and behavioral aspects of psychiatric disorders. Individualized treatment includes emotional, behavioral, social, medical and personal needs.

Located on the campus of Maryview Medical Center in Portsmouth. To speak to a Crisis Intervention Counselor, call 757.398.2400. Please call for more information.
