Compass Youth and Family Services' Mental Health Support (MHS) service is an intensive, home-based service that is designed to assist the client in obtaining independence or stability within the community. The program is available to older adolescents and adults who have long-term mental health needs, cognitive deficiencies or dual diagnoses.

The Compass staff is guided by a curriculum that focuses on 7 core competencies to promote independent living while managing mental health symptoms and needs.

- Housing and Transportation
- Mental Health
- Employment
- Money Management
- Self-Care and Daily Living
- Personal Development
- Parenting
