The Creciendos Juntos website offers a directory of benefits and services and Latino focused initiatives in Charlottesville and Albemarle County and surrounding areas. Resource services are designed for the Latino community or are offered to all residents and include bilingual (Spanish-English) staff.

Resources include banking services, churches with Spanish language services, domestic violence services, education, GED and ESL classes, financial assistance, food assistance, health, legal assistance, immigration services, Latino owned businesses, and more.

Visit [Community Resources](#) for a variety of resources.
