The UVA Club Red Clinic is designed for women with heart disease, diabetes or those at risk who would like to:

- reduce their risk factors for heart disease and diabetes;
- prevent diabetes or a first heart attack;
- reduce chances of a recurrent heart attack

and

- improve lifestyle and quality of life.

You may choose a traditional individual visit or a shared medical(SMA) appointment that includes six to 9 other women. Treatment needs are specifically tailored for each woman.
