VCU Community Memorial Hospital (CMH) is committed to providing the highest quality health care services to all members of the community. The hospital provides these services consistently and compassionately, without regard to an individual's ability to pay.

CMH offers assistance for patients and families with limited financial resources. The hospital's financial counselors help patients work out financial terms that meet their needs. Financial Counselors can be reached at 434-447-3151, Ext. 3200. The financial counselor will review payment and funding options that may be available to you.
