Resources for Independence offers several group homes in the Northern Virginia area for individuals with developmental disabilities. Group homes provide congregate living arrangements to a small group of adults with recognized developmental disabilities. Consumers receive primary care, which is comprised of room, board, and general supervision. In addition, they receive assistance training, and specialized supervision according to their individual support needs and preferences. Each resident is encouraged to be as independent as possible with

daily living activities, hopefully to achieve an improved quality of life through integration in community activities. The homes are located in the communities of Annandale, Burke, Fairfax, Falls Church, McLean and Vienna.
