Town of Pulaski manages over 800 acres of parkland, several recreational facilities and the Pulaski Senior Center. Visit [Town Owned Parks](#) for locations.

Virginia's only linear state park is a rails-to-trails project following an abandoned railroad line through tunnels, over bridges and along the New River from downtown Pulaski to Galax. The Trail is 57 miles long and parallels the New River for 29 miles providing excellent water activities. The trail has been designated an official National Recreation Trail by the US Department of the interior. The state park is excellent for hiking, horseback riding and bicycling. Bike, canoe, and guide services are available. Call 540-674-5202 or 540-699-6778.

For more information visit the [Virginia State Parks](#) website.
