District Three Public Transit provides rides for non-emergency medical services to adults aged 60 and older. Mountain Lynx Transit provides transportation to doctors' offices, hospitals, dentists, and other medical facilities at times or locations not served by existing public transit routes. Riders are picked up at their homes.

Trips are provided in air-conditioned, heated, and safe vehicles driven by trained, professional drivers. Qualifying seniors age 60 and older are eligible to use this service. Not all rides are approved, due to limited availability of drivers and limited seats on vehicles.
