Destiny Services offers psychosocial rehabilitation group services to provide care or treatment for adults with long-term, severe psychiatric disabilities. Services are designed to improve their quality of life by assisting them to function as actively and independently in society as possible through the strengthening of individual skills, etc.

Services can include skills training, peer support, vocational rehabilitation and community resource development oriented toward empowerment, recovery and competency.

Destiny Services' mission is to advance the availability and practice of behavioral health rehabilitative services so that individuals with a serious mental illness have access to the supports they need to recover.
