The Charlottesville Free Clinic (CFC) has a licensed on-site pharmacy staffed by volunteer pharmacists and pharmacy technicians to provide medications and diabetic supplies for their current medical and dental patients. The CFC Pharmacy has a wide variety of medications for diabetes, high blood pressure, depression, high cholesterol, asthma, and other common diagnoses. The CFC Pharmacy does not prescribe or fill controlled substances.

All medications and diabetes supplies are free-of-charge, however we do ask for a \$3 donation per prescription for those who can afford it.
